Honours Bachelor of Applied Science in Early Childhood Studies

Program Profile
About the University of Guelph-Humber
The University of Guelph-Humber is a collaboration between the University of Guelph, one of Canada’s top comprehensive universities, and Humber College Institute of Technology & Advanced Learning (Humber), a student-focused polytechnic and Canada’s largest college. Your Honours Bachelor of Applied Science in Early Childhood Studies degree will be granted by the University of Guelph and you will learn from faculty from both partners—the University of Guelph and Humber. Our campus is located in Toronto with easy access from highways 401, 407 and 427. The campus is serviced by Toronto, York Region, Brampton and Mississauga transit systems.

Honours BASc in Early Childhood Studies
Academic excellence
The University of Guelph-Humber’s Early Childhood Studies degree program has quickly become one of Ontario’s most sought after and respected programs. The University is committed to continuing this excellence in early learning and care with the Honours Bachelor of Applied Science in Early Childhood Studies Degree Completion program for professionals. Our program recognizes the prior academic and workplace experience of early childhood professionals and supports those who wish to upgrade their credentials.

The program combines courses that are online with hybrid courses that utilize online and occasional on-campus (weekend) study. This format allows you to continue with your education while maintaining a good life balance in work, family and learning. As a student, you will benefit from the vast experience of highly trained educators, as well as a full range of student support services.

Moving forward
University courses will provide you with a solid background in inclusion, family-centred practice, assessment and intervention, counselling and community/program development.
Courses

Delivery Format
Classes start in September and run for eight consecutive semesters. Online courses offer flexibility in your off-campus study.
